## Change of hire conditions for Hei Hei Hall

We have been advised of a change in the hire conditions for our hall. Consumption of alcohol at the venue is no longer permitted, and no special licenses will be granted for alcohol consumption. We appreciate that this potentially impacts dances and club nights. The committee is investigating alternatives, including a change in club night format, and alternative venues for club dances. Watch this space. Until the issue is resolved, we risk completely losing the privilege of hiring the hall. We are continuing to pursue the issue with the Council, but in the meantime the hall must remain alcohol free.

## Ashburton Club dance

The Ashburton Christmas dance is scheduled for Saturday 1 December. We are planning to make this a club outing. At this stage we think we might travel down on Saturday afternoon, have a meal at the club, and then stay on for the dance. Book
