1st Christmas dance with Kat & John

# Senior Nationals

This year's Nationals are almost on us, with lots of venue tickets sold, and lots of competitors in a full programme. You can still buy venue tickets from iTicket. Public stands viewing tickets will go on sale soon, and permit admission for the day. However public ticket holders are restricted to the public stands, cannot mix with club members, and cannot enter the dance floor for a boogie. Club members should see Connie if they still want to buy tickets. There will be plenty of food, and barista coffee, available within the venue throughout the day, including dinner breaks. A menu with Prices will be made available soon. There will be a licensed bar each evening. Note that there is strictly NO BYO.

# New sound system

We've just invested in a new sound system for the training hall (Hei Hei). The old system had reached the end of its useful life, having served us well. To use the new system, you will need a phone that can connect via bluetooth. There are instructions in the pocket of the cover case. In case you don't, the old system will be in the hall for a while yet, with its old school iPod, so if you are lost, just grab out the old system. Thanks to Tony and colleague for researching the new system It's a hit with those training at the hall.
